## Colour Run postponed until Spring

Dear Parents and Carers,

I am writing to inform you of a frustrating but necessary decision regarding our much-anticipated Colour Run event. After careful consideration, we have made the difficult choice to postpone the Colour Run until the spring.

There are several reasons for this decision, the most pressing being the lack of available dates in the coming weeks. With winter fast approaching and the evenings getting darker earlier, it has become increasingly difficult to find a suitable time for the event. Additionally, the unpredictable autumn weather and the current condition of the field would likely impact the overall enjoyment and safety of the event. Our goal is for the Colour Run to be a fun and inclusive experience for everyone, and under these circumstances, that wouldn't be possible.

However, postponing until the spring brings some exciting opportunities. With better weather and longer daylight hours, we hope more members of our school community will be able to take part. If you missed out on a place this time, you will have the opportunity to sign up again in the spring. For those who have already paid for a place, your spot will automatically carry over to the rescheduled event.

In the meantime, we would like to collect any sponsorship forms that have already been filled out. Please send them in with your child, ensuring their name is clearly marked, and their class teacher will collect them. We will keep the forms safe until the spring and redistribute them closer to the new event date so that participants can continue gathering sponsorship.

We understand that this may be disappointing, but we firmly believe this is the best decision to ensure the Colour Run is as successful and enjoyable as possible.

Thank you for your continued support.

Best regards,

Daniel Webster  
Headteacher
