Headteacher: **Daniel Webster**

Dear parents and carers,

Red Area's enquiry this term is 'Where is Barrs Court Primary School?'. With a focus on being a geographer, we've been learning how to use different maps to explore the geography of our local area. We would like to let you know that we will be taking each class on a short local walk to practise navigation and to learn about symbols and keys on a map. This will take place during the **Week Beginning 3<sup>rd</sup> February 2025 – We anticipate that this will be Garnet Class on Tuesday 4<sup>th</sup> February and Ruby/Jasper Class on 5<sup>th</sup> February.** If the weather is wet then we will try to rearrange within that week. Please ensure your child has a coat in school every day next week and let your child's class teacher know if you have any queries.

We are looking for a few volunteers to walk with us – If you are available to help then please let your child's class teacher know and we'll discuss timings.

To conclude this term's enquiry, the children will be challenged to create their own map of our school and we'd like to invite you to come and help your child test their map and navigation skills with an interactive enquiry exhibition on **Thursday 13<sup>th</sup> February - 3:15pm and 3:45pm.** Please collect your child as usual and make your way round to the front entrance where you'll be let in to Red Area.

We look forward to seeing you then to help celebrate Red Area's fantastic enquiry learning this term.

Many thanks

Red Area Team
