1st September 2023

Dear Parents and Guardians,

Welcome back to Barrs Court Primary School! I hope this letter finds you in good health and that you and your family enjoyed a wonderful summer, despite the rather unpredictable weather.

As a new academic year approaches, it brings me immense pleasure to extend a warm and heartfelt welcome back to each and every one of you. The summer break has provided us with a much-needed opportunity to recharge and prepare for the exciting challenges and opportunities the upcoming school year will bring. Our dedicated staff have worked hard to ensure that our classrooms are ready, our curriculum is engaging, and our school environment remains safe.

You may have noticed that the planned renovation project, which was to include the installation of solar panels, heat pumps, and new radiators, did not take place during the holiday period. This delay was due to funding concerns beyond the school's control. We hope the project will take place within the next 12 months.

I am delighted to announce that Miss Turle is expecting her first child! Congratulations to her and her family as they embark on this exciting journey. It is anticipated that Miss Turle will begin her maternity leave in December and we are currently in the process of planning her maternity cover. Further details will be communicated to Jasper Class closer to the time.

At the heart of our school's ethos lies a strong sense of community and collaboration. We wholeheartedly encourage you to actively participate in your child's educational journey. The partnership between parents/guardians, teachers and the school is an essential element in nurturing the growth and development of each pupil. Throughout the year, we will provide numerous opportunities for you to engage in school events and we encourage you to get involved whenever you can.

A friendly reminder to all families: the **school day begins promptly at 8:45 am** and it is crucial that all pupils are lined up by this time. To ensure a smooth drop-off process, we kindly request that you park considerately, utilising the free parking facilities at Asda and the local Curry House. Please be mindful not to block local residents' driveways or park on the corner of Causley Drive. Your co-operation in this regard is greatly appreciated.

I hope you enjoy the last weekend of the summer holiday and we look forward to welcoming your children back to school on Monday.

Warmest regards

*Daniel Webster*
