Dear Parents and Carers

We wish to welcome you warmly to the **Mosaic Partnership Trust** family, a Charitable Trust that serves our children and young people through 'integrity, innovation and partnership' and of which **Barrs Court Primary School** is a founding member.

We have been on a journey with our schools over the last 18 months in establishing a Primary only Trust and are looking forward to working with you and your communities. The Trust formally opened on 01 April with two Wiltshire Schools and then was joined by 10 South Gloucestershire Schools on 01 June.

As a Trust, we recognise that each school has a unique identity and caters to its community's specific needs. However, we believe that through strong collaboration, we can enhance outcomes and experiences. We are proud to have a dedicated team of individuals in every school, at the Trust level, and wonderful children; people are our priority.

At Mosaic, we consider ourselves both a family and a team. We will hold regular meetings with school staff and in particular with your Headteacher, **Mr. Webster**. You will receive regular communications from your school, along with a termly newsletter from the Trust.

We look forward to working with you.

Yours sincerely

Andrew Best - CEO
For and on behalf of the **Mosaic Partnership Trust Central Team and Chair of Trustees**
