Headteacher: **Daniel Webster**

Dear Parents and Carers,

Blue Area have been working hard this term on two different enquiry questions. As Scientists, Geographers and Engineers they have explored the question 'What should you flush down the loo?' In our current enquiry 'What was life like for a child where I live in the Victorian Times?' they have enjoyed being Historians, Geographers and Musicians. As the children are reaching the end of this current enquiry, they would love to showcase their learning from across the term with you.

We would therefore like to invite you to our Blue Area Learning Exhibition after school on **Tuesday 5th April** and/or **Wednesday 6th April**. Once you have collected your child from school, you will be able to access the hall via the fire exit doors. Your child will then be able to share with you and explain the steps in their learning journey.

The exhibition will be available on both evenings until **4:00pm**. There is no requirement to sign up to a specific day, but we may stagger entrance to the hall to ensure safety.

We look forward to seeing you at our Learning Exhibition.

Please speak to your child's class teacher if you have any queries.

Many thanks for your support.

Blue Area Team.
