

Dear Parents and carers,

We are immensely grateful for the efforts of our PTFA and the dedicated team who generously volunteer their time to support our school. Over the past two years, their hard work has culminated in raising over £12,000, a testament to their incredible dedication to the school community.

This remarkable achievement has come from organising events, including discos, fairs, bingo nights and race nights, along with Easter and Christmas festivities. The success of these events owes much to your enthusiastic participation and spending. The funds raised have been instrumental in enhancing our school's resources, from improving our library, our enquiry resources, providing ice creams on sports day and playground equipment. Beyond these tangible benefits, the PTFA's efforts have significantly strengthened the sense of community within Barrs Court and the events bring a smile to people faces.

Looking ahead, the PTFA has set an ambitious goal for the next 12 months: raising £16,000 to replace our old climbing frame, which has unfortunately become unusable. This is a challenge, yet with the support of our community, we are confident in our collective ability to achieve this goal. With an encouraging start of £5,000 already raised, we are well on our way to fulfilling this objective. The new playground equipment will significantly enhance our provision and will be enjoyed by all children at Barrs Court for years to come.

We invite you to join us in this challenge. Please look out for the exciting events planned by the PTFA. Your support, whether through volunteering, attending our events, or donating, is crucial to our success.

Thank you for your continued support and commitment to our school community.

Thanks for you continued support.

Daniel Webster
