Headteacher: **Daniel Webster**

Dear parents and carers,

We hope that you had a wonderful, restful summer break and welcome back to a new school year.

Red Area's Enquiry this term is '**What is my hat made of?**'. During this Enquiry, the children will be Scientists and Engineers. They will learn about the properties and uses of materials and explore an engineer's design process, before designing and creating a new hat.

To begin our new Enquiry, we will be having a 'Mad Hatter's Tea Party' event on **Friday 13<sup>th</sup> September 2024**. We would like to invite the children to come to school wearing an interesting hat – the more unusual the better! Your child may wish to come to school wearing a builder's hat, an astronaut's hat, a crown or any other type of hat that you have at home. They could even make a hat to wear to school. Please ensure your child wears their usual school uniform and that any hats are clearly labelled.

We're also looking for visitors who wear a hat that helps them do their job (for example a chef or a builder). If you know of someone who may wish to share their job and hat with Red Area children then we'd love to hear from you – Please get in touch with your child's class teacher.

Many thanks,

Red Area team.
