Headteacher: **Daniel Webster**

Dear parents/carers,

We launched our new school website alongside our new Vision and Values for the school. A strong set of values that the whole community understands and lives-by is essential to creating a thriving school. Everything we do will be underpinned and driven by our Vision and Values. We want the whole community to be part of the journey. For the rest of this term, children will be learning about the new values and they may even come home with a certificate/sticker to say they have been seen displaying a particular value.

School Vision

At Barrs Court Primary School, our vision is of a dynamic, engaged, and thriving school that inspires every child's curiosity, pride, and success. Children become lifelong learners in a safe and inclusive learning environment that nurtures individuality and enhances potential.

School Values

Determination

The never give up attitude that all members of the school community demonstrate. The commitment to producing our best work even when we find things challenging.

Pride

The feeling of self-respect and worth. Being proud of your achievements no matter how small and actively celebrating the achievements of others.

Curiosity

The ability to ask questions, confidently embrace unfamiliar circumstances and show an active interest in challenging yourself to find out more. We want children to look past the obvious and be open to new ideas.

Respect

All members of the community will take responsibility for each other. Respect is speaking to and interacting with others in a courteous manner and valuing others cultures, religions, beliefs and differences. It is about being honest, reliable and trustworthy.

Joy

All members of the community should feel a sense of joy – children should feel excited about the next steps in their learning. Joy is a feeling a child gets when they know they are valued and belong.

Please ask, if you have any questions.
