Dear Parents and Carers,

As part of Red Area's enquiry 'What is home?', we will be hosting a learning exhibition on **Wednesday 20<sup>th</sup> May 3:15pm until 3:45pm** and we would love for as many families and friends to come and share in the exciting learning which will have happened over the course of the term.

This will be taking place in the **main school hall** and will be an opportunity for your child/children to share their learning over the past term. At 3.15pm, please collect your child as normal from the Red Area Cloak room doors and then take them and yourself round to the Fire Escape doors of the hall. There you will be greeted by a member of the team, and your child will be able to guide you through the exhibition and to their work. Once you are finished, you will be able to vacate the hall through the Fire Escape doors.

Please feel free to take pictures of your child's work and project to share and keep as a memory; however, we would ask that you do not take pictures including other children or their work.

**Reminder:** We are also still looking for any empty shoe box donations as well. Please send them in with your child at the earliest convenience.

We look forward to sharing our learning with you!

Many thanks for your continued support,

Mr Balch

Red Area Lead.
