Dear Parents and Carers,

As part of Red Area's enquiry 'What is our classroom made of?', we will be taking each class on a walk around the local area to observe buildings and houses in our community. This will be an opportunity to put their scientist, engineer and historian knowledge into practise.

This will be taking place at different times during the day on Tuesday 26<sup>th</sup> September. Please ensure your child has a coat in school on this day – If the weather is particularly wet, we find an alternative date.

We look forward to sharing photographs of our walk very soon!

Many thanks for your continued support,

Red Area Team.
