Dear Parents/Carers of Year 4 children,

During the first week back after the half term holiday (Week Beginning Monday 6th June) the Year 4 children will all take the Multiplication Tables Check (MTC) that you have been previously notified about.

The children have been working really hard in school to learn the facts that they need to know and have been practising using TTRS daily. We want them to be successful since they have worked so hard. We are extremely proud of them!

It is really important that your child continues to practise up over the half term holiday to ensure that they are able to maintain the speed and accuracy at which they are required to answer the questions. We do notice that accuracy and speed is reduced after a break. We would be very grateful if you could encourage your child to spend a few minutes on TTRS using the 'Sound Check' each day as this has the same requirements as the check itself.

If for some reason, you are unable to access TTRS, the following website also does the same job:

<https://www.timestables.co.uk/multiplication-tables-check/>

Many thanks for your continued support
