Headteacher: **Daniel Webster**

Dear Parents/Carers

Red Area have thoroughly enjoyed this term's enquiry 'What did Brunel do for Great Britain?'. Every class has impressed us with their curiosity and how much they've learnt about Brunel's life and significant work. We'd like the children to have a chance to share their learning with you on **Wednesday 27th March – 2:30-3:00pm**.

We will set up an exhibition of the children's learning in the hall and your child will be able to share their learning with you. This will include seeing and testing their bridge models, watching our Brunel presentations and looking at our learning in books and photos.

You do not need to book to attend, simply arrive any time from 2:30, collect your child from their classroom and head to the hall. Do not worry if you're unable to attend – All children will be included in the exhibition and we'll take lots of photos to share with you via Facebook.

The event will finish at 3pm and we kindly ask that you leave promptly to allow the children to prepare for the end of the day. You'll then be able to collect your child from the playground at 3:15pm as normal.

We hope to see you next Wednesday. Please speak to your child's class teacher if you have any further questions.

Many thanks,
Red Area Team.
