Dear Parents/Carers

To support our learning about transport during our Term 5 enquiry 'How will we get around in the future', Red Area children will be going on an exciting trip to **Aerospace Bristol on Wednesday 18th May**. The trip will include a chance to explore the Concorde Hangar, a visit to the Aerospace Museum and a fantastic workshop. During the workshop, the children will explore Concorde, discover amazing facts about the world's first supersonic airliner, then they'll become engineers when they create their own Concorde. All of this exciting learning will inspire and excite the children as they'll be designing their own futuristic vehicles in the final stages of their enquiry.

The coach will leave just after registration at 9am and return in time for the end of the school day at 3.15pm.

Children will need to bring a packed lunch in a disposable bag (to be carried in a rucksack/backpack) so that everything can be binned once they have eaten their lunch. Please provide your child with a filled water bottle. No fizzy drinks or glass bottles/cans please. School uniform **MUST** be worn please.

Children will not need to bring any money on the trip.

We ask for consent and a voluntary contribution of £15.00 to cover the cost of the trip be paid via Eduspot by Friday 13th May. Whilst no child will be excluded, we do rely on voluntary contributions being made in order for the trip to take place. We reserve the right to cancel the trip if insufficient voluntary contributions are received.

Thank you for your continued support. Please see your child's class teacher if you have any questions.
