

# BARRS COURT PRIMARY NEWSLETTER

This week, the school has been full of budding scientists! Children in Red Area have been exploring the fascinating world of plants, while those in Blue Area have been investigating forces. It's been a real pleasure to hear the children speak so confidently and knowledgeably about their learning.

As you'll be aware, we had to postpone Sports Day and the medal events due to the unpredictable weather. We completely understand that this was disappointing for many of you, especially those who had taken time off work. Please be assured that we always consider the wider impact when making decisions like these. With the weather being so changeable this week, we couldn't risk children running and jumping on a wet field and potentially getting injured.

Hopefully, you've now received the updated schedule for the medal events, which will take place at various times next week and we hope to see you all next Thursday morning. The forecast is looking much more favourable – fingers crossed!

One event that did manage to go ahead despite previous weather challenges was the Colour Run, and what a fantastic way it was to end last week! It was full of colour, laughter and joy. The children were brilliant and truly embodied all our school values. A huge thank you to our incredible PTFA for organising the event and to all the volunteers who supported on the afternoon – we couldn't have done it without you. Next week, we'll be sending out information on how to book your slot for the end-of-year parent meetings, which will take place during the week beginning 7th July. Please keep an eye out for the message.

Finally, with Father's Day coming up this Sunday, we wish all the dads, grandads and special family members a wonderful day – however your family chooses to celebrate.

As the weather continues to warm up, we'd like to remind parents and carers of a few important points to help keep children safe and comfortable at school:

**Please ensure all uniform is clearly named**, including jumpers, cardigans, and especially sun hats. This helps us return any misplaced items quickly and reduces the number of things lost.

**All children should bring a named water bottle** to school each day. Staying hydrated is vital for concentration and well-being, particularly in the warmer weather.

**Please apply sun cream at home before school.** If you would like your child to reapply it later in the day, they may bring a named bottle, but they must be able to apply it themselves.

Thank you for your continued support in helping us keep the children safe and ready to learn.

## FESTIVAL OF NATURE
