Having spoken to lots of you this week, it sounds like many of you had a lovely and much-needed rest over Easter break. It has been great to see you all back this week. We have had a fantastic start to the term. All areas have started their new enquiries this week:

Reception: [How do we care for pets?](#)

Red Area: [How will we get around in the future?](#)

Blue Area: [Why are more people becoming vegetarian?](#)

Green Area: [How are lives saved through science?](#)

More information on all the enquiries can be found on the school website, or by clicking on the links above. There is also a link to the homework for the term on the class pages.

The new [school values](#) are being continually discussed and demonstrated by the whole school community. Children are still collecting the values card, and some have even managed to collect all 5!! Please continue to praise your children for showing the school values at school and at home.
