What a wonderful week we have had in school. Thank you to everyone that came along to sports day. You all helped to create such a lovely atmosphere throughout the day. It showed off everything great about the Barrs Court Community. Thank you to the PTFA for opening the refreshment shed and to all the school staff and volunteers who helped the day run smoothly. A VERY special thank you must be given to Mr Walker. This was the first time in over two years we have held a sports day, and for many children and parents, it was their first experience of a sports day. Mr Walker spent many hours planning and preparing the day, which is why it was so successful.

The school will be closed on Monday for INSET. There will be nobody in the building on Monday, so if you need to contact the school, please email the school office. I hope you all enjoy the long weekend, and we will see you all bright and early on Tuesday.

On Monday, we had the first opportunity to meet the parents of the new reception cohort starting in September. Many families already have children in the school but there are lots of new families who will be joining the school. Over the next few weeks, the new children and their parents will visit the school and spend some time in the classroom. So please say hello and make them all feel welcome.

Date for the diary
