The end of the year is fast approaching! It has been a fantastic year; for so many of the children, and for most, it will have been their first full year for two years, which might help explain why some are so tired. Seeing so many parents come and see the amazing Green Area performance this week was lovely. The children looked back over their time at school and we even had a visit from a young Miss Duce-Jones, Mr Walker, Miss Pinnell and Mr Balch. Everyone was impressed by the acting and singing – well-done everyone in Green Area!

I sent out a letter this morning about the Amber warning for heat. The weather at the start of next week is forecast to be warm across the UK, with temperatures between 30-35 degrees. South Gloucestershire is not currently in the Red warning area. **The school will be open as usual on Monday and Tuesday.**

All the mitigations we have in place are highlighted in the letter but if anything changes, we will contact you via text message on Sunday.

The NHS links below help understand the signs of sunstroke and dehydration, which are very common when the weather gets this hot.

Have a lovely weekend and don't forget the sun cream!
