

# Barrs Court Primary School

5<sup>th</sup> February 2025

Dear Parents/Carers,

It has been brought to my attention that some of the behaviour in the park before school is not always appropriate or safe. As a school, we want to ensure that all children have a positive and settled start to the day, but some of the reported behaviours are not supporting this and could lead to children getting hurt.

We fully understand that many parents and carers are keen to foster independence in their children, and we appreciate the trust you place in them. However, we ask for your support in reinforcing expectations around safe and respectful behaviour before school. Ensuring that children arrive at school in the right mindset will help them engage positively in their learning. If your child is meeting friends there before school, we ask that you check in with them about how they are spending this time and encourage them to make positive choices.

Thank you for your support in helping us maintain a safe and respectful school community. If you have any concerns or would like to discuss this further, please do not hesitate to get in touch.

Regards

Daniel Webster
