PRESS PUBLICITY AND SCHOOL EVENT PHOTOGRAPHS

Barrs Court Primary School uses images of pupils for internal purposes in accordance with the Data Protection Act 1988 and the General Data Protection Regulations (May 2018). Photographing children is a regular practice as we record their progress for their record of achievement, especially in their Early Years. The school also uses images which may be viewed by the general public; these tend to be images which relate to day to day events in school. These images may be displayed on the school website; the school's newsletters, as promotional material for release to the media and/or displayed generally around the school building.

Our commitment in the use of images:

- If we use photographs of individual pupils, we will not use the name of that child in the accompanying text or photo caption.
- If we name a pupil in the text, we will not use a photograph of that child to accompany the article.
- If a child has won an award and the parent requests that the child's name accompanies their picture, we will obtain permission from the parent before using the image.
