

## Red Area Homework - Term 3

### Topic: Ice

Please make sure that you are practising your weekly home learning tasks as often as possible.

You can also choose one of the topic tasks to complete at any point in the term. You can bring in your topic homework as soon as you have finished it and your teacher will make sure that you can share it with your class as soon as possible. Remember to make your home learning fun!

WEEKLY HOME LEARNING																			
Reading	Writing	Maths																	
<p>Read <b>5 times</b> each week so that you can move your balloon up the 'Fivers' board.</p> <p>Don't forget to ask an adult to write the date and the title of the book you have been reading in your Home-School Diary so that your teacher can count up your Fivers as you earn them.</p> <p>Remember when you have achieved 10 'Fivers' you will receive a certificate.</p> <p>Make sure that you remember to take home a school reading book every day and change it in the morning when you have finished reading it.</p>	<p>You will bring home phonics homework each <b>Friday</b> in your 'Home Phonics Book'. You can do this with an adult at home to impress them with your phonics!</p> <p>Please bring your 'Home Phonics Book' back into school the following <b>Thursday</b> so that your teacher can see your brilliant work.</p>	Year 1s	Year 2s																
		<p>Practise counting forward and backwards to and from 100 starting at a random number.</p> <p>Say the number that is 1 more and 1 less than a given number.</p> <p>Represent 2 digit numbers in different ways using objects and drawings.</p> <p>Practise counting in 2s, 5s and 10s.</p> <p>Recognise the value of different coins and notes and find the value of a set of coins.</p>	<p>Continue to learn the 2, 3, 5 and 10 times table.</p> <p>Practise counting forwards and backwards in 3s.</p> <p>Recognise the value of different coins and notes and find the value of a set of coins.</p> <p>Practise making the same amount of money using different combinations of coins.</p> <p>Find the total cost of your shopping and work out the change you should get when paying with a given coin or note.</p>																
		<b>This term's new 'Learn Its'</b>		<p><b>Step 5</b></p> <table style="width: 100%; border: none;"> <tr> <td style="padding: 2px;"><math>4 + 2 = 6</math></td> <td style="padding: 2px;">Remember to keep practising</td> </tr> <tr> <td style="padding: 2px;"><math>5 + 2 = 7</math></td> <td style="padding: 2px;">the Learn it facts you know.</td> </tr> <tr> <td style="padding: 2px;"><math>6 + 2 = 8</math></td> <td style="padding: 2px;">Look at your Maths Homework</td> </tr> <tr> <td style="padding: 2px;"><math>7 + 2 = 9</math></td> <td style="padding: 2px;">sheet to remind you of these.</td> </tr> <tr> <td style="padding: 2px;"><math>9 + 2 = 12</math></td> <td></td> </tr> <tr> <td style="padding: 2px;"><math>4 + 3 = 7</math></td> <td></td> </tr> <tr> <td style="padding: 2px;"><math>5 + 3 = 8</math></td> <td></td> </tr> <tr> <td style="padding: 2px;"><math>6 + 3 = 9</math></td> <td></td> </tr> </table>	$4 + 2 = 6$	Remember to keep practising	$5 + 2 = 7$	the Learn it facts you know.	$6 + 2 = 8$	Look at your Maths Homework	$7 + 2 = 9$	sheet to remind you of these.	$9 + 2 = 12$		$4 + 3 = 7$		$5 + 3 = 8$		$6 + 3 = 9$
$4 + 2 = 6$	Remember to keep practising																		
$5 + 2 = 7$	the Learn it facts you know.																		
$6 + 2 = 8$	Look at your Maths Homework																		
$7 + 2 = 9$	sheet to remind you of these.																		
$9 + 2 = 12$																			
$4 + 3 = 7$																			
$5 + 3 = 8$																			
$6 + 3 = 9$																			

TERMLY TOPIC HOMEWORK				
<p>Use the internet or go to the library to find out about Arctic animals. (If you are using the internet, remember to ask an adult to help you find a suitable website.) Choose your favourite animal and create a fact file about it.</p>	<p>Write a poem with a wintery theme.</p>	<p>Imagine you are a Polar Explorer. What would you need to take with you? Make a kit list of everything you think you would need.</p>	<p>Design an item of clothing to keep you warm on a winter's day.</p>	<p>Find out about how Inuit people survive in the Polar Regions. You can present what you have found out in any way that you want.</p>
