

The Food is lovely

Breakfast Club is brilliant. Everyone is so friendly and my girls love coming.

They even ask if they are coming on the days that they aren't booked in!

I like the computer and breakfast seconds

The ladies are always really friendly

What I like about Breakfast Club is that everybody is being kind to me.

We really value WASP Club because:

- it enables my child to play with children across all age groups and make new friends.
- The staff are so caring and fun!
- It allows my child 'down time' before & after school, in a relaxed & fun environment when I'm still at work.

Thank you, we couldn't do without WASP Club!!

I like drawing at Breakfast Club. I like making things at WASP Club.
