

Barrs Court Sports Day 2020

A massive THANK YOU to everyone who took part in the Home Sports Day event. Every result received has been warmly welcomed and some fantastic efforts from everyone involved. It was great to see so many of you enter and over the next few weeks I will create a photo collage to go on the school website alongside these results. **If your name isn't in the results but you know that you sent it in before the deadline, please contact your teacher through Google Classroom so that your results can be added on**
